Invitation to a Journey 2019

Discipleship/Christian formation is a lifelong journey. We'd like to encourage you in your daily reading and devotion, which helps a relationship with God, one another and how we live our life. There are our own daily readings, but there are a range of other materials also available, some published, others via the app. Each month we'll be offering a sample of daily reading notes to see what works for you. **More information can be found on the home page of the Fetteresso website.**
